of 4 September 2020 meeting were approved

Dr. Allan Barsky as the representative of the College of Social Work and Criminal Justice

Items presented, but tabled, at the UUPC's 14 September 2020 meeting:

- PSB 4243 H Neuroscience and Addiction (WHC) (letter of support from Psychology and Biology)
  
- Two new course proposals from the WHC were discussed.
  - ART 4640 H Games Studies was approved after some corrections were offered (omission in the Honors statement; need to add the Covid-19 statement; need to secure a letter of support from the Art Department, the School of Communication and Multimedia Studies, and the Computer Science Department)
  - ART 4651C H 2D Computer Game Development was also approved after some corrections were offered (2D—should be capitalized throughout all the documents; add “C” to the title on the syllabus; add the Covid-19 statement; correct some typos; grading scheme is missing the C- range; and secure a letter of support from the Art Department, the School of Communication and Multimedia Studies, and the Computer Science Department)
- New Minor Concentration in Digital Game Development was discussed and approved after some suggestions (secure a letter of support from the Art Department, the School of Communication and Multimedia Studies, and the Computer Science Department)
- Revisions to the Honors Curriculum Manual were approved
  
- Reminder to encourage honors-in-the major students to submit their capstone project to the library's digital collection. Will send information to MA Leavitt re Joanne Parandjuk (Library).
